Getting to Know Dementia: Community Training Positive Approach to Care® Dementia Awareness in Bite-Sized Pieces

(Four consecutive weekly sessions) beginning Tues. April 23 - end May 14, 2024

5:30-7:30 PM in the Fellowship hall

Participants will start to appreciate what happens when a brain is changing due to some form of dementia, versus other factors, such as normal aging or a high-stress lifestyle. By learning about brain function and changes during dementia, we can begin to understand not only what is lost, but what is retained, to effectively provide that just right support.

Participants will be introduced to the GEMS® State model of the progression of dementia and learn how we can adapt our approach to create positive relationships. The concept of using visual, verbal, and touch cues to approach and connect with a person living in any state of dementia through the Positive Physical Approach™ will be demonstrated and practiced.

We will learn about how we, as care partners, can become advocates for people, as relationships and tasks of daily living are impacted.

Presenter: Betty Cairn RN, PAC trainer

Audience: Anyone who is interested in learning more about dementia.

Program is limited to 15 participants. Pre-registration is required. Please email Betty Cairn at stonehengemaine@yahoo.com.

Session 1 What is Dementia, Really? What Brain Changes and Shifts in Ability are Noticed When Dementia Happens?

Session 2 Looking at Progression and Seeing More than Loss: The GEMS® State Model.
The GEMS® State Model: In the Right Setting with the Right Care, all GEMS Can Shine

Session 3 New Skills for Helping and Supporting and Being an Advocate and Building a Support Team

Session 4 Using a Positive Physical Approach™

This content is based on the work of Teepa Snow's Positive Approach to Care® methods and education. <https://teepasnow.com/>

An opportunity for reflection...

An opportunity to reflect on the latest wayside pulpit message being shared on the corner of Winthrop and Summer Streets.

“I am a representation not of just myself, but of an entire history of a group of people.”

~Thich Nhat Hahn

Thank you to Angie Blevins for maintaining the wayside pulpit and providing us with messages to ponder.

**Are you interested in offering programming
or scheduling an event for the UUCC community?**

Please use this [program request online form](#) to help guide the process. UUCC is growing and administratively, we are growing with it. Events that used to be scheduled by casually mentioning it to someone no longer work for a congregation that has a membership of 170 people plus approximately another 50 to 75 active friends. Thanks for your help in making growth and programming sustainable.

Rev. Donna Dolham and Lynn Smith, Church Admin.

Social Justice Updates

Sometimes people say, as they refer to the 8th Principle: “We can do all this anti-racism work to prepare for a diverse beloved community, but no BIPOC attend the church.” This is generally true if attendance means Sunday service. It is not true if attendance means Saturday breakfast. Many of the people that attend breakfast are “regulars.” They attend several times a month and have attended for over a year. Some say, “I love this church.” They express dismay when newcomers’ behavior does not meet the norm that has been established (an unwritten covenant). Some look for ways to contribute; sharing resources and/or their labor. Discussions include love, generosity, and gratitude. It is church. And BIPOC are regular attenders.

Research in Maine has established that Black and African American individuals are ten times more likely to experience homelessness than their White peers.

-- Debbie Mattson, Social Justice Committee Co-Chair

Board of Trustees

General Assembly News

General Assembly (GA), the annual gathering of Unitarian Universalists is completely virtual this year- June 20-22, 2024. This year’s GA theme is **Love Unites, Stories Ignite.**

UUCC can have 4 Delegates attend GA. Representing a congregation as a delegate is an honor and a privilege. Delegates are the voting participants regarding the business of the Unitarian Universalist Association and engage in important policy deliberations. The major item of business this year is the vote to accept the revised Article II of the UUA Bylaws. This includes the Purpose, Values, Covenanting and Inspirations.

At last week’s Board meeting, we made the decision to offer financial assistance for the cost of registration for two people attending this year’s UUA General Assembly as delegates.

We believe that having members of UUCC attend GA is enriching for the attendees and for the congregation. In the past, we have been informed and inspired by the testimony of attendees who share their learnings as part of a Sunday service here at UUCC.

Please let Michaela Loisel know if you are interested in representing UUCC as a delegate and if you are in need of financial assistance. (Michaelatloisel@gmail.com)

We will keep you updated about happenings at GA on the UUCC Website. Stay tuned for upcoming information as we organize “Watch Parties” for the public events offered to all.
