If you are interested in joining us for this last Starting Point session, you are more than welcome to attend! We'd love to have you join us! We hope to repeat this series during the next church year so come and find out what this program has been all about! **11:00 Sunday Morning Worship**  
**12:15 Panel Presentation and Community Conversation**

All are welcome to join us for our 11:00 Sunday morning service and special panel conversation at 12:15. As people of faith and no faith, we gather to be present to the real lives of people we love: our neighbors, our families, our freinds.

Let’s get the facts and explore together what compassionate care and harm reduction looks like in our hearts and our minds, in our homes and communities.

Courtney Allen, Executive Director, James Place, Jesse Harvey, Church of the Safe Injection, and a staff member of Health Equity Alliance will speak about the current situation of the Opioid Crisis and the health care response in our local communities here in Maine.

This even will be hosted by the Pastoral Ministry Team. Please bring a bag lunch. We will serve beverages and dessert.
